

Presbytery Meeting Highlights

The Boise Presbytery held its August 10, 2023, stated meeting at Boone Memorial Presbyterian Church, Caldwell, and by Zoom.

Breaking Down Walls The Presbytery began with a Matthew 25 field trip to the Western Idaho Community Action Partnership (WICAP) warehouse in Caldwell to learn of the needs in the community and how WICAP helps. From food to diapers, rent assistance to youth programs, WICAP accompanies people who are struggling to make ends meet. They are eager to partner with congregations, as they do with Boone Memorial.

Actions Taken During our meeting, COM presented a draft policy on Family Leave, requesting input from the assembly. It will be voted on in November. We commissioned Shana Woodbury to a hospice chaplain position and enrolled both Meredith Green and Rob Wheeler as Candidates for the ministry of the Word & Sacrament. The Presbytery elected its Synod Commissioner and ordination examination readers. The Synod Transitions Task Force gave a brief update of their wrestling, like Jacob wrestled with God, and presented a questionnaire.

Many thanks to our hosts at Boone Memorial, especially to Rev. Katy Schwind Williams who operated the technology needed for our Zoom meeting!
